

Welcome

Seminar Series of the Department of Computer Science Electrical Engineering
Presents

New Initiatives, Challenges and Opportunities

January 25, 2008. Time 12:00-1:00PM. FH 557.

Ph.D. students are welcome but this seminar is mainly for SCE faculty members

Dr. E. K. Park

Program Director, CISE/CCF, National Science Foundation
Directorate for Computer and Information Science and Engineering (CISE)

Abstract

This seminar will focus on writing fundable grant proposal. It will begin with the introduction to the requirements of high quality proposal and discuss how to satisfy those requirements.

Bio: E.K. Park is a Professor of Computer Science at the University of Missouri – Kansas City. He received his PhD degree in Computer Science from the Northwestern University, Evanston, Illinois USA. Currently, he is a Program Director at the US National Science Foundation, CISE Directorate, CCF Division.
