

Welcome

Seminar Series of the Department of Computer Science Electrical Engineering
Presents

New Initiatives, Challenges and Opportunities

December 7, 2007. Time 2:00-3:00PM. FH 557.

Ph.D. students are welcome but this seminar is mainly for SCE faculty members

Dr. E. K. Park

Program Director, CISE/CCF, National Science Foundation
Directorate for Computer and Information Science and Engineering (CISE)

Abstract

We will discuss the various NSF emphasis areas/programs and major new initiatives that are under way and/or planned as well as opportunities and challenges in areas of Computer and Information Science and Engineering.

Bio: E.K. Park is a Professor of Computer Science at the University of Missouri – Kansas City. He received his PhD degree in Computer Science from the Northwestern University, Evanston, Illinois USA. Currently, he is a Program Director at the US National Science Foundation, CISE Directorate, CCF Division.
